Dear Prof Belkhadir, Dear Jamal

I am writing as President of the International Diabetes Federation to congratulate you on organising the 11th International Conference on Diabetes and Nutrition "Diabetes Morocco 2022".

I am delighted that you have been such an active leader of the MENA region of the IDF and have organised so many informative and instructive webinars and meetings.

This, together with many others you have already organised this year, will help those caring for people with diabetes in their appropriate management. I wish you a most successful Congress.

With best personal regards.
