Former of International Diabetes Federation MENA Region

Dear Friends,

The **Moroccan League for the Fight against Diabetes** is celebrating the World Diabetes Day and organizing the 14th International Conference on Diabetes and Nutrition, **Diabetes Morocco 2025**, on November 14 and 15, 2025, at the International University of Rabat.

Under the auspices of the Ministry of Health, Higher Education, Scientific Research, and Innovation and the National Council of the National Order of Physicians, this meeting will be held :

- in collaboration with the **Moroccan Society of Endocrinology, Diabetology and Nutrition (SMEDIAN)** and the **French-Speaking**

Diabetes Society (SFD)

- And in partnership with the **Ibn Sina University Hospital**, the **Moroccan Society of Nutrition, Health and Environment (SMNSE)**, and the **International University of Rabat**,

Under the Honorary Presidency of the **President of the International Diabetes Federation, Prof Peter SCHWARZ**, this edition will feature the active participation of the French-speaking Diabetes Society with a post-SFD day, organized in collaboration with SMEDIAN. In this regard, our sincere thanks to the entire SFD team, as well as to **Prof Fouad RKIOUAK**, President of SMEDIAN, and the members of the SMEDIAN Board for their valuable contribution to the participation in this conference and the celebration of World Diabetes Day.

This year, thanks to the active and regular collaboration of the **International University of Rabat**, we are organizing this event in this beautiful International University. A very big thank you to **Prof Houda HSAINI**, Dean of the Higher School of Paramedical Sciences, and her team for their invaluable support.

The two-day Congress program will bring together Moroccan and international experts from various countries. It will allow participants to keep up with the latest developments in Diabetology and Nutrition, through several sessions dedicated to Diabetology and Nutrition.

Prominent national and international figures will be joining us. In this regard, we are very honored by the participation of **Prof Najat MOKHTAR, President of UNutrition**, and **Prof Naïma MOUSTAID-MOUSSA, President of the American Society of Nutrition**.

This year also sees the active participation of the Ibn Sina University Hospital. We would also like to thank the Director of the University Hospital, **Prof Raouf MOHCINE**, and the entire management team for their contribution to the success of this event.

As I mentioned earlier, a wonderful Nutrition Day awaits us. It is organized with the continued support of my friend, **Prof Jaafar HEIKEL**, President of the SMNSE. We extend our sincere thanks to him and his dynamic team, particularly **Prof Hassan AGUENAOU**, for his significant contribution to the League's activities and to nutrition research.

We are convinced that the multi-partner, multi-sectoral approach we have always advocated, and the program for these days is a fine example of this, remains the cornerstone for improving the management of diabetes and nutritional diseases and developing prevention.

Finally, we would like to reiterate our sincere thanks to all those, and particularly our partners, who continue to provide their support for the success of the League's activities in the fight against Diabetes and Non-Communicable Diseases.
