

Prof. Jamal Belkhadir

President of Moroccan League for the Fight against Diabetes

Congratulations for the excellent efforts you have continuously been making to serve those who live with diabetes in your country. It gives me an immense pleasure to announce that the Middle East and North Africa (MENA) Region of the International Diabetes Federation (IDF) endorses the conference which you will hold in Morocco on November 12-13th 2016 in Dakhla for the celebration of the World Day of Diabetes.

This endorsement roots from the recognition of the great value and the high quality of the scientific conferences held by the Moroccan League for the Fight of Diabetes.

I look forward to personally attend this important meeting together with my colleagues from the MENA Regional Council and I am sure this conference will further add to the efforts to improve the life of those who live with diabetes not only in your country but also in the whole MENA Region.

Sincerely.

Prof. Nizar Albache

Professor of Internal Medicine and Diabetes
Chair of Middle East and North Africa MENA Region
International Diabetes Federation
